Didsbury Is Definitely On Alberta's Hockey Program

Ramblers In League Playoffs

DIDSBURY 6, RED DEER 4

Going into their sixth game in as many days, Didsbury Ramblers weren't given much chance by the prognosticators against the high-flying Red Deer Monarchs here Monday night, but the boys had different ideas. When the smoke cleared at the end of the final period the score stood at 6-4 for the locals.

Red Deer led 1-0 at the end of the first, 3-2 at the end of the second, but wilted in the third as Ramblers came on strong to outscore the visitors 4 to 1.

Morgan and Diebold picked up two goals for the locals with singles being rapped in by Devine and Leisner.

Which team the Ramblers will meet in the first league playoffs will not be determined until later this week but there is more than a good chance it will be the same Red Deer club. Watch for dates of playoff games.

PLAY HERE SATURDAY

This Saturday night Didsbury Ramblers will meet either Olds Elks or Red Deer Monarchs in the second game of a two-out-of-three game series in the Central Alberta Hockey League playoffs.

Game time is 8:30. Let's see you there!

DIDSBURY 12, CAMROSE 1

Playing their last game of the season on local ice, Camrose Canadians put on a lack lustre display and were deserving of the 12-1 shellacking they absorbed at the hands of the Ramblers Friday night.

Ken Papke, starry netminder for Didsbury suffered a mouth injury early in the game. Ron Brunwell donned the pads for the remainder of the contest and came very close to saving the shutout, only one scored shot escaping him.

Devine punched in four goals for Ramblers, Papke got a trio and Wilkins, Holub and Morgan completed the rout.

LACOMB 17, DIDSBURY 9

Playing their last regular league game of the season on the road, Didsbury Ramblers let down the gate at Lacombe Saturday night and were trounced 17-9 by the northern club. Details of the contest are sketchy, but with a score like that maybe it's just as well. We do understand, though, that some of the spectators were wearing dark glasses to protect their eyes from the red glare.

The above picture has been suggested as a motto for the Didsbury Ramblers hockey team, who Monday night played their sixth game since the previous Wednesday. Their record for the week is an enviable one, as they notched three wins, two ties and but one loss. A team that can show a record like that certainly deserves your support.

C.P.R. TRAIN TIMES AT DIDSBURY

SOUTHBOUND:
No. 521—(flag stop) 1:10 a.m. daily.
No. 527—10:01 a.m. (flag stop) Sunday only.

No. 523—6:21 p.m. daily.

NORTHBOUND:
No. 522—4:59 a.m. daily.
No. 524—12:23 Noon daily.
No. 526—5:00 p.m. daily except Sunday.
No. 528—6:21 p.m. (flag stop) Sunday only.

Locals Advance In Prov. Playoffs

Playing before a small crowd at Memorial Arena last Thursday night, Didsbury Ramblers took a four goal lead in their intermediate "B" provincial playoff game with Nordegg. Final score was 8-4 and the locals were full value for the win.

The visitors went ahead 3-2 in the first but faded from there in, the score standing at 6-4 at the end of the second and 8-4 at the final whistle. Lelund Devine led the Ramblers with three goals. Trev Morgan snared a pair and singles went to Holub, Diebold and Wilton.

In the second game of the total goal series, played Sunday afternoon at Nordegg, the same two clubs ended up in a 3-3 draw. Devine again paced the locals with a two-goal effort while the other Ramblers goal went to Diebold.

Didsbury now meets Drumheller Miners in the second round of the provincial playoffs, the first game to be played tonight (Wednesday) in the midway centre. Date of the return match in the series has not been decided.

MELVIN NOTES

(From Our Own Correspondent)

Congratulations to Mr. and Mrs. Phil Baum (nee Leslie Jackson), of Grand Prairie, on the birth of twin girls, Joan Barbara and Jean Deborah.

Mr. and Mrs. L. Chandler spent a week end Sunday at the home of their son Jay, in Balzac. Mr. and Mrs. Jay Chandler had been in a car accident, and although none had been seriously hurt, Mrs. Chandler had been bruised and shaken.

Mrs. Mary Youngs returned Thursday from Edmonton where she had spent several days visiting her son Walton and other relatives.

Mr. and Mrs. H. Fischer and Clare, Miss Kay Thomas of Olds, and Mr. and Mrs. C. Brooke were Sunday guests of Mr. and Mrs. H. Brooke.

Mr. and Mrs. W. Smiley of Nelson, B.C., spent a few days last week at the H. Fischer home.

Little Donnie Shantz had the misfortune to break the end of his finger last week.

The Melvin W.I. are sponsoring a series of health lectures given by the Public Health nurses. The first will be held on Wednesday evening at the home of Mrs. B. Shantz.

Mr. and Mrs. E. Dupont and family attended the christening of Olga's wee boy in Olds on Sunday. After the ceremony they entertained the following guests at their home for dinner: Mr. and Mrs. S. Desjarin and Larry, of Dewinton, Mr. and Mrs. Andy Jackson and family, and Mrs. W. Bernard and Danny, of Olds.

Melvin W. I. To Aid Flood Victims

The February meeting of Melvin W.I. was held last Tuesday at the home of Mrs. Ross Youngs, with 14 members and two visitors present. The call was an original Valentine verse, which proved quite entertaining.

Mrs. B. Shantz chose for her paper on citizenship, a most interesting article on "Uncle George," founder of the Woods Christian Home.

For a short topic Mrs. H. Fischer chose a Valentine story. The cookie contest produced a well-filled table of goodies, which were judged by Mrs. Doug Landman and Mrs. Ed Ford, who chose four different varieties to be displayed at the summer conference. 1st, Mrs. E. Dupont; 2nd, Mrs. H. Fischer; 3rd, and 4th, Mrs. R. Youngs.

Wool quilt blocks were turned in for the Holland relief fund and for the next meeting each member is asked to bring two print patch wool quilt blocks, 18 by 18, on a cloth back. Do not featherstitch these blocks.

Mrs. L. Fischer won first and Mrs. L. Chandler second for their W.I. program booklets.

Emily Dupont conducted a Valentine contest of Alberta, which was won by Mrs. W. White.

At the close of the meeting lunch was served by the hostess and all the delicious cookies were sampled.

The March meeting will be held at the home of Mrs. L. Chandler and there will be a date loaf contest.

HERE HE IS... BILL COWAN, who has done so much to put Didsbury on the provincial intermediate hockey map. It is his first experience in Class "A" hockey and much of the credit must go to "Bill" who has spent so much time and effort in showing the lads how it should be done.

BOARD OF TRADE TO STAGE ANNUAL FARMERS' BONSPIEL

The farmers' bonspiel, sponsored by the Didsbury and District Board of Trade, will be held again this year, with dates to be set within the next few days. There will be two big events and it is hoped to surpass last year's large entry.

A banquet will take place as a grand finale.

Entries may be made by phoning Alf Allan at the Royal Bank or Ed Ford at Edford Motors.

ANNUAL ICE CARNIVAL LIONS CLUB PLAN

Didsbury Lions Club annual ice carnival will be held this year on Saturday, Feb. 28, with a full evening of fun and entertainment planned.

The usual costume events and skating races will be held. All Lions are to attend in costume. The pipe band of the Calgary Highlanders will appear, under the direction of Pipe Major Sandy Reid. Black Magic, a skating number put on by local girls and boys, under the direction of Miss Mac Ringholm, will also be featured.

Other numbers are being arranged and will be announced later.

WEST NOTES

(From Our Own Correspondent)

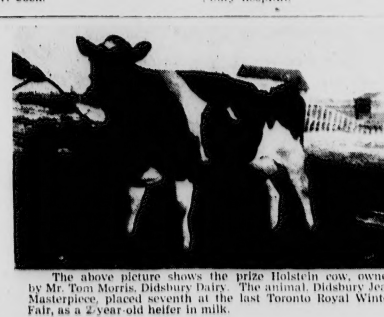

The Elktion Willing Workers met at the home of Mrs. A. L. Hogg on Wednesday last with most of the members present. A quilt was tied for the Red Cross and other Red Cross work was turned in.

It was decided to hold the children's free skating party Saturday afternoon, Feb. 21. All children are welcome. Buns, wieners, cake and cocoa will be served.

It was also decided to hold a turkey supper in the Rugby hall on Wednesday, Feb. 25, to help the local rink with the expense of a lighting plant.

Mr. and Mrs. Buck and the latter's mother, of Brooks, were overnight guests with Mr. and Mrs. O. Thompson Wednesday last.

A rink from Elktion entered the ladies' bonspiel at Eagle Hill on Saturday, skipped by Mrs. Erickson. Mr. Alfred Cook came home from hospital last week but is still confined to bed. Among those who visited him on Sunday were Mr. and Mrs. L. Ford of Cremona, Mr. and Mrs. R. Laft and Mr. and Mrs. W. Cook.

The above picture shows the prize Holstein cow, owned by Mr. Tom Morris, Didsbury Dairy. The animal, Didsbury Jean Masterpiece, placed seventh at the last Toronto Royal Winter Fair, as a 2-year-old heifer in milk.

4 Candidates Nominated To Contest Two Council Seats

MRS. F. NICHOLL HOSTESS TO KNOX UNITED W.M.S.

Seven members and friends met at the home of Mrs. C. F. Nicholl for the monthly meeting of the women's Missionary Society.

Mrs. Reid Clarke and Mrs. C. Armstrong, who attended the Presbytery at Ponoka last week, gave their report. Mrs. Bruce Parker gave the study from "Along African Trails" and Mrs. Ed Ranton took the devotional period.

The March meeting will be held at the home of Mrs. Ed Ranton.

Red Cross Has Successful Year

Mr. J. H. Robertson, president of the Didsbury and District branch of the Red Cross Society, presided at the annual meeting of the organization held in the Lions Hall Friday night. The meeting was opened with "O Canada" and a prayer by Rev. C. C. Armstrong.

The president welcomed the members and stated that the small branch was due mainly to the necessity of calling the meeting at the early hour of 7 p.m. Mr. E. Cogswell was called on, in the absence of the secretary, to read the secretary's report. This report outlined the work of the branch in the past year, as well as the work of the Alberta division while he was president. This included the provincial zoning, which has proven a great success; the publicity committee, which was responsible for keeping the crippled children's hospital within the Red Cross fold and not turned over to the government, and the formation of a resolution committee, which gave branch delegates a voice in the deliberations.

The report also paid tribute to the work of the Women's Work Committee, both in quality and quantity, under the convener-ship of Mrs. Lila Wiggins. It reported the loaning of three wheel chairs in the district and the receiving of a wheel chair as a gift from Mrs. Jenkins.

Mr. A. W. Reiber, chairman of the hotel donor committee, reported 196 donors at the last clinic and mentioned that another clinic would be held early this spring.

Report of the Junior Red Cross committee was given by Mr. E. Walker.

Mr. C. E. Reiber, the treasurer, gave the financial statement for the year. Receipts to Dec. 31, 1952, including cash on hand at the end of 1951 amounted to \$3,287.52. Proceeds of the annual campaign amounted to \$2,680. The sum of \$2,305.81 was remitted to the division.

It was decided to hold the 1953 campaign at the same time as the national campaign.

Election of officers and committees resulted as follows: president, Mr. E. Cogswell; vice-presidents, Mr. K. Burns for the east, Mr. E. Walker for the west, Mr. Mac Wood for town secretary, Mrs. J. Reinhardt; treasurer, Mr. H. Morgan.

Executive committee includes: Mrs. Stiles, Mrs. Ausenhus, E. K. Cullen, Mrs. Ed Ford, Wallace Hughes, Mrs. A. L. Hogg, Mrs. G. Long, S. J. Gilson, H. Lanch-Staunton, Mrs. Roach, Mrs. Pearl Rennie, Joe Freeman, James Currie, Roy McNaughton, with the chairman of all committees.

It was decided that in recognition of the past services of Mr. W. A. Austin to the Red Cross Society, both in the provincial field and the Didsbury branch, that a suitable presentation be made him.

A complete list of committees will appear in our next issue.

MOUNTAIN VIEW

(From Our Own Correspondent)

Folks, keep in mind the W.I. card you are to hold at the home of Mr. and Mrs. Ed Blain in Didsbury on Friday, Feb. 20. There will be prizes.

Sincere sympathy is extended to the family of Mr. Theodore Reist, whose funeral took place Tuesday.

Those funeral guests were Sunday dinner guests with Mr. and Mrs. James Worral.

MAILING LIST BROUGHT UP TO DATE

This week the mailing list of The Didsbury Pioneer was brought up to date. Any errors or omissions should be relayed to this office as soon as possible.

The label on your paper shows the date your subscription is due. If you are in arrears, let's hear from you.

When nominations for candidates for the council of the Town of Didsbury closed on Monday, Feb. 16 at 12 o'clock, four candidates were in the running for the two seats on council, according to Fred Evans, returning officer.

The four nominees were: C. E. Reiber, S. J. Gilson, L. B. Dickau and E. T. Wiggins.

As a result of the nominations for the two council seats, an election will be held on Monday, March 2 and polls will be open from 10 a.m. to 7 p.m. Voters will cast ballots for two candidates only, using an "X" after two names only. If you vote for three or more candidates your ballot will be spoiled.

Under the provisions of the Town Act any candidate may withdraw within 48 hours after the close of nominations, and there is always the possibility this may occur.

The two candidates for town councillor receiving the highest number of votes at the polls will be elected for three years.

H. LYNCH-STAUNTON RETURNED AS TOWN MAYOR

At the nomination for the office of mayor of the town of Didsbury on Monday, H. Lynch-Staunton was the only nominee for the position and he was declared re-elected by acclamation for another two years.

SCHOOL BOARD MEMBERS GO IN BY ACCLAMATION

W. K. Snyder and Roy G. McArthur, elected by acclamation to the two trustees on Didsbury School Board. Retiring members, who declined to stand for re-election, were A. W. Reiber and William Blare.

Pictured above is Mr. Tom Morris, owner of the Didsbury Dairy, who last week was elected to head the Alberta Dairyman's Association for the ensuing year.

Old Time Resident Passes At 84

Mr. Theodore Reist, an early homesteader of this district, passed away on Friday, Feb. 13, at the age of 84 years.

Born near Kossuth, Ont., in 1868, he was married to Lucinda Rosenberger, after which they resided on a farm near the village until moving to the Didsbury district in 1890, homesteading five miles east of town.

He had been active in community and church affairs until failing health and age caused him to retire to town.

He was a member of the United Missionary Church, holding various offices during his term here.

Mrs. Reist predeceased him in June, 1952.

He leaves to mourn his passing, two sons, Wilmer of Didsbury; Elmer of Chilliwack, B.C.; six daughters, Mrs. C. W. Green, Kana, Idaho; Mrs. N. Lemont, Edmonton; Mrs. G. R. McLean, Calgary; Mrs. R. Sherrick, Didsbury; Mrs. M. K. Snyder, Calgary; Mrs. A. C. Archer, Didsbury. Twenty-three grandchildren and five great-grandchildren also survive.

The funeral was conducted Tuesday from the United Missionary Church, with Rev. Ray Shantz and Rev. A. Frey in charge. Six of the grandsons were pallbearers.

BANCROFT INSTITUTE HOLDS FEBRUARY MEETING

On February 11, nine members of the Bancroft W.I. met at the home of Mrs. James McCulloch. Meeting opened by singing "Let Me Call You Sweetheart" and the creed. Roll call was answered by bringing three cookies to be judged.

The profit of \$13.50 from the ice carnival was donated to the Midway Curling Rink. Arrangements were made to entertain the Lone Pine W.I. members and their husbands at the Bancroft school in March.

Mrs. Kenneth Sanson has accepted the position as assistant supervisor for the Girls' Club, the Bancroft Buttercup.

A crib quilt was chosen and Mrs. R. Fisher is to get the material and make up a block for the next meeting.

For entertainment the members composed a limerick for a Valentine poem.

The tea prize went to Mrs. Ray Good. The meeting closed with "God Save The Queen" and the hostess served a tasty lunch.

WINCHELL COULEE WELL STILL UNEVALUATED

Crew at the Winchell Coulee well in the foothills is starting its 458th day operating at that wildcat venture and after the one year and 3 months of drilling and testing it is not yet possible to fully evaluate the commercial prospects of the indicated Madison limestone discovery.

That foothills region wildcat, 35 miles northwest of Calgary and 25 miles due west of Didsbury town, found oil-saturated cores in the Madison during last December, and was also chalked up as a "wet gas" strike in the Cardium sand and a dry gas discovery in the Jumping Pound sandstone earlier in 1952.

This triple zone discovery, Delhi-British-Winchell Coulee No. 1, was drilled by the Canadian Delhi Oil Company in farthest lane from British Petroleum Limited, Canadian Delhi and British. In a joint statement today released details of perforations and swab tests that have been carried out at the well during the past weeks.

Briefly, some gas—but no water—was found to be present in a two-foot perforated section about four feet off bottom. However, in a 40-foot section perforated above that level swabbing brought black sulphurous water to the surface.

Company officials were unable to account for that situation, and the crew is now squeezing cement in the perforations, preliminary to testing higher in the Madison formation.

O.S.A. Notes

(From Our Own Correspondent)

"We should do all we can to further promote good understanding between country and town people," was the main decision at the last meeting of the O.S.A. Farm Forum. The discussion group felt that understanding of the problems of each had increased during the past few years, but that further progress could be brought about by joint committees of farms and townspeople through existing organizations; regular arrangements for exchange of speakers between farm and urban organizations; public relations committees; the use of local newspapers and radio stations.

Forum agreed that the farm respect, in responding to the call for foodstuffs for the hungry people of the world. More unified farm organizations would strengthen the farmers' position.

Agriculture students recognized two basic principles when they stressed that public relations is everyone's business, and that knowledge of facts removes false impressions. "An extensive program to spread information and goodwill, especially through personal contact, will improve our rural-urban relations."

West Didsbury Calf Club Holds January Meeting

Nine members and seven visitors attended the January meeting of the West Didsbury 4H Beef Calf Club at the home of Doug Birds on Friday evening, January 30.

The members judged a class of Aberdeen Angus calves, which are being fed for baby beef. The highlight of the evening was slides shown by Mr. McPhail on past club sales. A very interesting report was given by Larry Gillen.

The hostess served a delicious lunch at the closing of the evening. The next meeting will be held at Mrs. Murphy's on March 6th at 8 p.m.

EASY PICKINGS

Dreams came true for this young German couple. When they left Germany about a year ago, everyone told them, with a knowing smile, that they would find Canada a wonderful country; that one could pick up money on the streets of any big city.

Reaching Toronto, they walked out of the Union Station on to Front Street. The husband said, "Let's look at the pavement. Maybe that is money to be picked up." They looked down. At their feet was a dollar bill. They haven't picked any more money off the street. But Canada hasn't disappointed them in any other respect.

Tassel, a Delmona belonging to trainer Harry Pownall of the Arden Homestead Stables at Orlando, Fla., gets the straight dope. His informant Slam, is one of Pownall's trainees. Slam is not a race horse but perhaps show horses have secrets too.

Charity Robs Sell Respect

Amid all the confusion and turmoil in the world today, there are signs of a return to sane thinking.

People are beginning to realize that being our brother's keeper does not make our brother happy; nor does it make for good-will between us.

To make a man the object of our envy is to rob him of his self-respect.

What people want is to be self-supporting, able to take their places as men and women of the race, and to share in the rewards of life. This gives them a self-respect and a feeling that they are a part of society.

The disturbances of our world have so upset the balance of civilization and resources, that many nations find their former means of livelihood no longer open to them.

The war has not only left all the nations poorer, but it has also left them with nothing. Our only way out is to help them. Our only way out is to help them. Our only way out is to help them.

The problem now is to get them back on their feet again. For if the nations can't make a living in the countries they now inhabit, nothing can be done to help them.

Efforts have been made to help the countries in need, but these have taken the form of gifts and loans.

Gifts and loans are not the answer. They exalt the giver and humiliate the recipient. What the nations need is a world in which they can make their own living without being beholden to anyone. They are willing to work and to produce what they can. They ask the right to pay for our surplus goods and services. They have told us more fortunate neighbors that what they want is "trade, not aid."

The statesmen of the world understand this and would like to bring it about. Their problem is to get our own people in agree. No country can be better or wiser than the people in it.

But there is a growing desire among the nations to understand each other's problems, and a sense of fairness which, when once aroused, will prove as a safe guide in our dealings with each other as the profoundest knowledge and the clearest understanding.

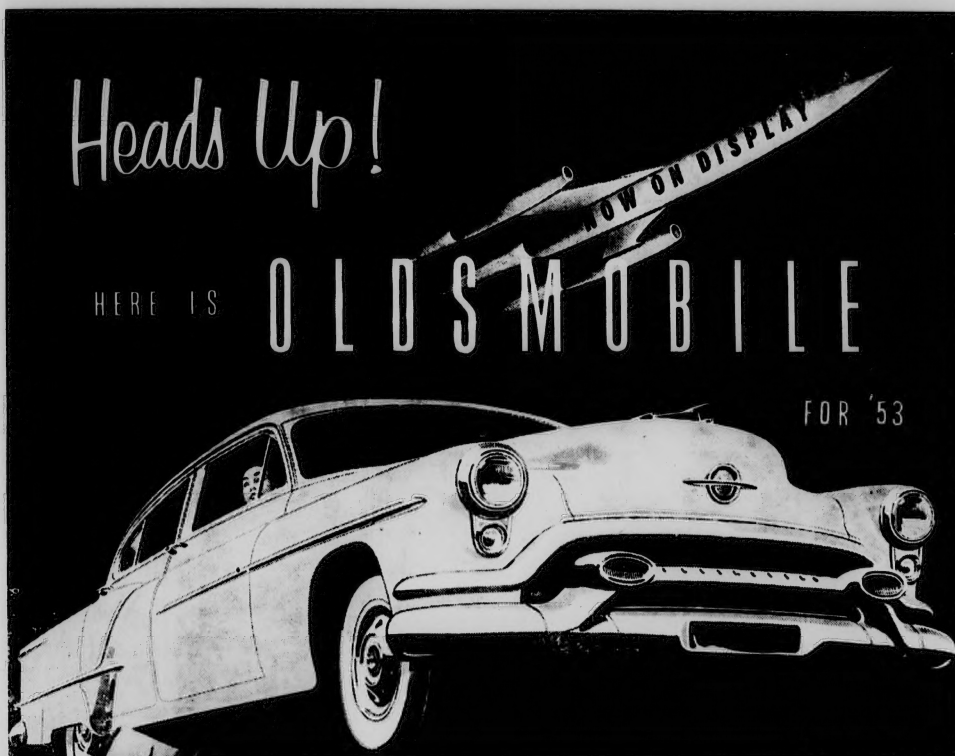

CHRISTIAN SCIENCE

The understanding of the illness of the one Mind of God, brings infinite blessings, as is clearly set forth in Christian Science churches on Sunday, when the title of the Lesson-Sermon is "Mind." It includes this affirmation by the prophet Isaiah: "Thou wilt keep him in perfect peace, whose mind is stayed on thee; because he trusts in thee." (28:3) and this statement in "Science and Health with Key to Scriptures" by Mary Baker Eddy: "The basis of all health, sinlessness, and immortality is the great fact that God is the only Mind; and this Mind must be merely believed, but is must be understood." (339:25-28).

Convener Meets Westcott W.I.

The Westcott W.I. met at the home of Mrs. Harry Levogson on Thurs. Feb. 5 with 20 members and four visitors present.

The meeting opened with O Canada followed by the creed.

Roll call was answered by telling of your hobby, and showing some of them to the members, such as salt and peppers, souvenir spoons, wood carvings, painting on wood and scrapbooks.

Mrs. C. Hay of Carstairs was presented with a wedding gift from the W.I. also a going away gift of a W.I. pin as she will not be a member any longer.

Mrs. Ray thanked all present, and hoped that all would come to see her in her new home in Carstairs.

A Christmas parcel of short-bread had been received from our corresponding W.I. in Northern England. A long letter accompanied the parcel. As the need was never greater, it was decided to again to Red Cross sewing, each member to do one or two or more pieces soon.

At this meeting our constituency convener, Mrs. Robert Fisher of Carstairs, paid us a visit and gave us the highlights of W.I. news.

For the January objective \$5.00 is set.

CANADIAN ARMY ORDER

A Canadian Army order prohibits overseas soldiers from mailing "motor vehicles, airplanes, and motorcycles" back home. The order is not a joke. During the Second World War some troops acted Canada by individual pieces.

to be sent to the Girls Club Travel Fund.

February objective, 20c per member, is to be sent to the International Fund of the F.W.I.C. This makes a donation of \$5.60 from our group. Current events for the month of January was given by Mrs. Carl Eckerstrand. The educational talk was given by Mrs. Jean Ray. She chose an article on "10,000 feathers in your hat," men's hat bands made entirely of pheasant feathers.

Some time was spent in practicing the W.I. choir selection, under the direction of Mrs. Gordon Ford.

Pictures of our 25th anniversary celebration were viewed, and ordered by the members. They turned out real good. Ronnie Faas was in charge of the picture taking with his flash camera.

Lunch followed including the short-bread from England.

Next meeting to be held at the home of Mrs. Arnold Bode on Thurs. March 5 when roll call will be your autobiography and a snap of your-

NOTES FROM D.A.

By Hugh McPhail

(Continued From Last Week)

Leather Losses
In 1942, over 61 per cent of Alberta cattle hides were classed as grubby. This alone makes a very considerable loss.

Over all figures carefully and conservatively calculated set the average annual loss at \$5.00 and \$10.00 per head. Warlike free cattle will command a substantially higher price both for slaughter and when going into the feed lots.

Packers in Western Canada have promised that they will recognize to the farmers' advantage community control of warbles. It is reasonable to suppose that if communities will organize and produce warble free cattle that within a short time they will reap the benefit of that action.

Control
Reputable brands of warble powder using rotenone as the killing agent are available in your stores. One lb. of powder should treat from 50 to 75 head depending on the number of warbles, the condition of the cattle and method of treatment. In hand treating farm herds, some men use a curry comb in one hand to remove the scabs from the warbles, in the other hand a sponge or cloth or brush dipped in the solution. So long as some of the rotenone is dusted into the warble results are speedy and effective.

Individual treatment is good but community treatment is better and more permanent. The adult fly lives only a few days. When she lays her eggs, her job is done and she dies. In the few days she spends on the wing she is not likely to travel more than a few hundred yards, but untreated cattle across the fence are a menace to yours. So if you can get your neighbors to treat the job will be much more effective.

Every rancher in southern Alberta who has treated his cattle is determined that hereafter treatment will be just as important as weaning or dehorning.

Conclusion
Warbles cost Canada \$10,000,000

Lone Pine W.I. To Hold Dance

The Lone Pine W.I. met at the home of Mrs. S. Brander for the Feb. meeting with 14 members and five visitors present. Roll call was answered on lines on how to be healthy. Social arrangements were made for the masquerade dance to be held on March 13. Prizes to be given for best dressed lady, best dressed gent, best comic, best headline. Come on gals and boys, get workin' on them costumes.

One dance a year is to be held to raise money to buy books for the library. Forty new books are now in the library of district school for the use of Triland, Burnside and Seiberthville districts. Mrs. Hunt is acting as librarian, so books can be taken out on any school day.

Mrs. F. Alligier had the topic on health and in place of giving a paper she got three films. Our children Sleep, Priceless Cargo, and Fun On the Run. These were all enjoyed by the ladies and children.

The 10c draw netted \$190. Mrs. Patterson being the winner. Mrs. Wine had the bit of fun composing a Valentine verse. Mrs. Harold Shells being the best poetess.

Anyone wanting material to sew for the honor, Mrs. F. Alligier has it at her place.

In 1943 Alberta's share was approximately \$1,500,000. Each farmer's share was approximately \$5.00 a head if their cattle had warbles in their backs. It is highly desirable that all the cattle in this district be treated for warbles this spring.

For several years now the communities east and west of Olds have had power sprayers. There are now 7 or 8 power sprayers available in the Mountain View Municipal District. The first district organized was Madon and others have followed.

Plan now to have your cattle treated this spring, preferably twice.

**"... very beneficial
to our firm"**

Recently the owners of a new business wrote their bank about the way the local branch had helped:

"Having completed our first year in business, and one which we feel has been most successful, we would like to advise you of the splendid co-operation we have received from the officials of your branch. We have consulted your local manager many times, not only regarding financial problems but business problems in general, and his advice has been very beneficial to our firm."

Such service is part of the job of every manager of Canada's 3700 branch banks. He must know the problems of the people he serves—whether business men or primary producers, wage earners or salaried workers. He welcomes every opportunity to make his bank useful to them—and to you.

Ghosts In The Organ At Olds Church

A week ago Sunday the congregation and organist of the Olds United Church were wondering just how effective a church service can be when the Mitchell Organ emitted sounds that sounded strikingly like the voice of a local citizen, while a hymn was being played by Mrs. J. C. Turpie, the organist. During the hymn while the foot pedal on the organ was being used to bring the organ tune up to a greater pitch, the voice cut in with sentences being relayed to someone. For a brief time, the world of the spirit became reality. Investigation proceeded following the service and it has been learned that it was the voice of a local "ham" operator, Mr. P. C. Fair. He was transmitting a message to another operator in the province and the frequency pitch of both the organ and transmitter were in exact attunement. Consequently the organ picked up the message and relayed it through the speaker system. The mystery has still not been cleared up, from the standpoint of a cure.

Canadians Aid Overseas Winter Flood Victims

This week the eyes of the world and the generosity of humanity are focussed on the efforts being made in Holland, England and Belgium in the reclamation of the thousands of acres of rich crop land flooded by one of the most devastating storms in centuries.

Canadian communities within hours after the flood waters had caused nearly 2,000 deaths and temporarily laid waste thousands of acres started subscription lists to help victims. The Red Cross, working on the international level, sent clothing and comforts into each of the areas as rapidly as transportation systems would permit.

The destruction and terror of flood waters strike home to Canadians in a genuine picture of destruction and misery demanding instant attention. Press reports indicate that the flood victims are showing the greatest type of courage and as rapidly as possible are going about the business of clearing away debris and rebuilding their homes.

—Drumheller Mail.

STILL BIGGER SCHOOL BILLS

For those municipalities which are already finding the burden of education costs tough enough, there will be little comfort in the figures just released by Ottawa, says the Financial Post. In the next twelve years, it is officially estimated, the high school attendance in Canada will have doubled.

That will mean a very substantial increase in high school buildings, equipment and teachers.

Anyone who has seen a municipal tax bill lately will know what that means.

Our school population is growing at a much faster rate than our total population and for quite a few years, at least, it will keep on growing fast regardless of almost any other factor because of the present and recent high birthrate.

Facing such facts we better go easy on some of the expensive buildings and fancy fads that have been tempting some of our school boards.

LOTS OF CLAY

It has been estimated that approximately 35,000,000 acres of clay soils exist in the agricultural areas of Canada.

I.H.C. DEALER AT CONVENTION

Harold E. Oke, local International Harvester dealer, has just returned from a meeting of International Harvester refrigeration dealers at Calgary with enthusiastic reports about the new complete line of International Harvester refrigeration products.

Feature of the new 1933 line, according to Mr. Oke is a revolutionary model refrigerator, the new Decorator, which brings decorator color and design into a kitchen for the first time in refrigeration history.

It is designed to match kitchen curtains, walls or floors, to blend, accent or contrast with the kitchen decorating scheme. This can be done with a yard and three quarters of any fabric the owner chooses to put on the front of this new refrigerator. The front can be changed at any time by even a child.

The interior of the Decorator, which comes in two models, boasts "climate" refrigeration, a feature of almost all I.H. 10 new refrigerators for 1933.

"It takes seven different climates at cold, all working at once, to keep foods in prime condition," Mr. Oke explains, and these new refrigerators provide these. They range all the way from six degrees for frozen food in the freezer to 55 degrees in the latter conditioner.

The new I.H.C. line for 1933 also includes four new chest type home freezers, with capacities from seven to 20 cubic feet. All have fresh green interiors found previously only in the I.H.C. refrigerators.

Mr. Oke also reports that International Harvester this year for the first time in its history also will introduce three sizes of room air conditioners.

Each model will be a Decorator style which means the finish can be covered in any fabric to match room accessories.

A new dehumidifier with the capacity to remove 12 quarts of water from the air each day to keep basements or utility rooms free of excessive moisture is also being introduced.

OLDSMOBILE FOR 1953 is completely new in frontal appearance, has a host of styling changes inside and out and features many mechanical advances including a more powerful "Rocket" engine. Two series, the Classic "88" and Super "88", offer a total of seven body styles in a wide array of new solid and two-tone color combinations. Frigidair car conditioning, that cools the car interior in the warmest weather; and a safety-padded instrument panel, are options at extra cost on the "88" series. Directional signals are standard equipment on all models. Both series offer, as extra options, "Pedal Ease" power brakes, for faster, safer stops; Power steering; the Autronic Eye, an automatic headlight dimmer; and Hydra-Matic Super Drive. Shown here is the Oldsmobile Super "88" four-door sedan.

Agricultural SERVICE BOARD NOTES

W.K. Snyder,
Field Supervisor

Crop Destroyers—Wireworms
Wireworms are among the most de-
structive, most widespread, and, un-
til recently, most difficult insect pests
to control. There are many different
species which attack wheat, rye, and
other grains, beans, corn, potatoes,
onions, gladioli, tobacco transplants,
tomatoes, cabbages, cultivated and
wild grass and other crops.

Crops attacked by wireworms may
fail to germinate as the larvae will
eat the germ of the seed or hollow
out the seed entirely. If the seed
does take root the wireworms may
bore into the underground part of the
stem causing young seedlings to with-
er and die. Wireworm injury also
makes it easier for disease organisms
to invade plant tissues. All four stag-
es of the life cycle of wireworms—
adult beetles, eggs, larvae, and pupae
live mainly in the soil. Only the lar-
vae cause damage. They are smooth,
shiny, hard-bodied, wire-like worms
varying in color from dark brown to
yellow. They spend from four to 8
years in the soil before changing to
the pupae stage from which the ad-
ults emerge in two or three weeks.

CORONATION SUGGESTIONS MADE FOR CANADA

Scholarships good in any Canadian
university would serve as the best
reminder through the years of the
Coronation in June according to many
of those who replied to a question
put by the Financial Post.

Several suggest that the scholar-
ships should be confined to girls—a
direct reminder of the coronation of
a queen—with one proposing a schol-
arship group similar to the now-fa-
mous international Rhodes scholar-
ships and awarded in Canada and in
other Commonwealth countries.

Among other suggestions are the
designation of the Trans-Canada
highway as the Queen Elizabeth
highway; new national library in Ot-
tawa to be named in honor of the
Queen and the adoption of a nation-
al flag.

Beetles begin egg laying in June.
They are hard-shelled, brownish in
color with body tapering towards
both ends. For many years wire-
worms were best controlled by cul-
tivation. In recent years, however,
the new chlorinated hydrocarbon in-
secticides have taken a useful place in
their eradication. One of the out-
standing developments has been a
seed treatment method using the
gamma isomer of benzene hexachlor-
ide on wheat, rye, barley, oats corn
and beans. With this chemical, effec-
tive, practical and economical wire-
worm control is now possible.

LETTER TO THE EDITOR

February 15, 1953.

Mr. James Currie,
Didsbury Pioneer,
Didsbury, Alberta.
Nearing the end of the 1952-53
Christmas Seal sale, I am writing to
you in advance of the official closing
announcement, to tell you that we
are now almost certain of reaching
our objective of \$210,000 for the
province of Alberta. We do not have
a notable achievement, especially com-
pared with ten years ago, when the
1942-43 campaign realized only
\$23,000.

I wish to extend to the Didsbury
Pioneer, to all members of your staff,
and to your readers our warm thanks
on behalf of the directors of the
Alberta Tuberculosis Association and
all our local committees. You have
helped us very greatly in placing
our messages before the people, and
your help has been cheerfully and
freely given as a "public service."

Our thanks are due also to more
than 100,000 residents of Alberta
who have again supported the Christ-
mas Seal sale. All our contributions
are freely given. We do not canvass
nor do we publicize any contribu-
tion, therefore we receive very few
objections. We much prefer to
have the multitude of smaller
gifts that come to us without pres-
sure or any methods.

On our part, we pledge ourselves
anew to work for the people of Al-
berta with all the energy and devo-
tion we are capable of. In the end
that TB and the fear of TB shall
ultimately disappear.

Faithfully yours,
T. A. Shandro,
President,
Alberta Tuberculosis Association.

FALLEN TIMBER

(From Our Own Correspondent)

The regular meeting of the Busy Bees was held at the home of Mrs. Joe Teynor with nine members and thirty visitors. The meeting was brought to order by the new President, Mrs. Janet Fyten. The new secretary, Mrs. Joe McGaffin, gave a report on gifts and miscellaneous expenses.

It was decided to purchase toys for the children's ward in the Didsbury hospital. Final arrangements were made for the party to be held at the home of Mr. and Mrs. W. Fyten part of the proceeds from the party to be for purchasing water pitchers for the local hospital. It was decided to have a sleigh and toboggan party Feb. 20 at the hall by Raymond McMillen's. After the business lunch was served by Mrs. Joe McGaffin and Mrs. Dick, two draws were held with Mrs. Joe McGaffin and Mrs. K. Teynor the lucky winners.

The next meeting will be March 4 at the home of Mrs. Johnny Howton. We are sorry to hear that Kathleen Carter has been a patient in the Didsbury hospital where she had her appendix removed. We are glad to report that Kathleen was able to go home last week-end.

Mrs. O. Moore spent Sunday night and Monday in the district. Mr. and Mrs. Glenn Cooper, Mr. James Cooper and Miss E. Johnson were Didsbury visitors last Saturday. The party held at the home of Mr. and Mrs. W. Fyten was a great success with some 80 guests in attendance.

The evening was spent in dancing and playing games. Over \$1200 was taken in for the Busy Bees and over \$900 for the hospital.

Mr. and Mrs. Bob Moore visited at the home of Mr. D. O. Clark, Bergen Saturday evening.

Mr. and Mrs. Monecy and family were supper guests at the home of Mr. and Mrs. Bob Moore Sunday.

Mr. and Mrs. W. H. McGaffin were visitors at the home of Mr. and Mrs. J. H. Cooper last Thursday evening.

Mr. and Mrs. J. H. Cooper and Keith were Calgary visitors Saturday.

We are very grateful to Mr. W. Fyten for putting some sawdust on the hills, especially the Elkhorn hill.

Mrs. Jessie Thirkman has been spending a few days visiting at the home of Mr. and Mrs. Joe McGaffin.

NO LEADERSHIP
JUST PUSHERSHIP

The dream of humanity of world leadership to peace by the United Nations has turned into a nightmare of pushership.

The United Nations was organized to give world expression to the goodwill of people throughout the earth. Those who created the United Nations could not see at the outset that men who believe in nothing greater than their own lust for power regarded goodwill as an opiate for people who were too weak to get what they wanted by force.

The common faith in mankind of the common people can be given world expression only by governments of countries in which individuals enjoy a considerable degree of their natural rights.

Now that the means of mutual destruction is in the hands of the greatest nations, none of them is capable of world leadership. Mankind's hope for peace lies in the hope that world pushership will stop short of war.

about Cancer

QUESTION: Does cancer come from a single bruise?

ANSWER:
A type of bone cancer may sometimes result from a single severe injury. It is believed that a single injury to soft tissue, such as the breast, will not cause cancer to develop.

Through The
Study Window

Rev. C. C. Armstrong

When the phone rings in this country, the customary introduction is "Hello." In England, just to be different, it is customary to ask "Are you there?" The English custom seems more logical, more satisfactory, and admits of no misunderstanding or argument.

In the presentation of religious truths, one is tempted to ask "Are you there?" This is true even within the hallowed confines of the church. Of course it is easy to see who is there and who is not but this is no certain indication they are also mentally and spiritually present. A minister cannot tell in those churches where "amen's" are silent and not audible whether a pleased expression means agreement or whether the worshipper has just thought of the roast beef cooking for Sunday dinner. A restless congregation may be that way because of the stirrings of conscience, or the hardness of the pews, or even, alas, because of the dullness of the sermon.

On the radio, matters are much worse. Radio "mikes" are small, oblong affairs, with a type of wire mesh screen covering the sensitive "in-wards." Talking into one of them has all the emotional stimulus of addressing the butt end of a tea strainer. Since the audience is entirely invisible any attempt to convey religious truth by radio means there is no way to gauge the effectiveness of the message. It is no wonder that those who talk over the radio often add, following an appeal, "Write in and tell us about it. Are you there?"

Written articles present somewhat the same situation. Almost every magazine, newspaper and periodical has a section devoted to letters inductive of the reaction of the reader. To the publisher or author any comment, either favor or unfavorable, has its own significance.

However, in seeking to present truth, the primary concern is to speak the truth in love. Whether or not the comment is favorable or unfavorable, expressive of pleasure or displeasure, agreement or disagreement is entirely secondary. It does not really matter if one never knows what the reaction is to the things one speaks or writes. In creating, yes. Essential? No.

An old negro spiritual asks "Were you there when they crucified my Lord?" Today, at the beginning of the Lenten season, prior to Easter, our thoughts are concerned with a query, "What think ye of Christ? Where does one stand in relation to Him?"

Communicant classes, for those contemplating confessing their faith and being received into the fellowship of the church will begin on Sunday, February 22, following the church worship services. "Hello? Are you there?"

Please remember the film, "The King's Man," Knox Church, Feb. 28 and March 1.

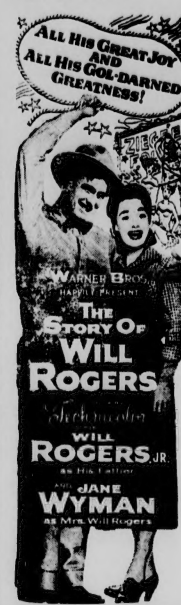

BUTTER VS. MARGARINE

While butter sales gained 9 per cent in 1952, reports margarine increased less than half a per cent. In total production, butter led two and a half times.

Cremona Institute Holds Regular Monthly Meeting

Mrs. Bill Dinsey was hostess Jan. 1st for 10 members and 1 guest of the WI.

The business meeting quickly got under way and everyone joined in the lively discussion.

Mrs. Ethel Enrich kindly offered her house for the shower for Allan Fazel and his bride although the date could not be set. When the business concluded Mrs. Dinsey read a very interesting article on straw weaving. The raffle was won by Mrs. G. Johnston. Mrs. Dinsey and her daughter Faye amused the ladies with an alphabet quiz.

First prize went to Mrs. G. Johnston and the consolation prize went to Mrs. Enrich. Mrs. Dinsey then served a delicious "Scottish" lunch in honor of Bobby Burns day.

WORLD FOOD SURVEY

In many parts of the world the per capita food production still remains well below present and the proportion of the world's population with inadequate food supplies has grown appreciably larger. This is the finding of a recent survey of the world's food resources made by the Food and Agriculture Organization.

The survey showed that world food supply reached its lowest ebb during 1946-47 and since then has gradually increased. Recovery has been rapid in the highly developed countries of western Europe and slowest in those regions where the present situation was the worst and where population increases have been greatest. In parts of southeast Asia and South America.

The survey states "it cannot be overemphasized that freedom from hunger itself helps towards peace and security. Any considerable diversion to other uses of existing precarious resources available to agriculture, can easily jeopardize the future of the world."

Legion Head To Speak At Odds

The provincial Command of the Canadian Legion has made arrangements that when the Very Rev. J. Anderson who is the First Vice President of the Dominion Command is in Alberta that the one meeting to be held in the Province will be at Odds.

This meeting will take place in the Legion Hall on Friday, February 20th at 8:30 p.m.

Representatives are expected to be on hand from various parts of the province to hear this officer

Local Residents Attend Fish & Game Convention

The 24th annual convention of the Alberta Fish and Game Association was held in Macdonald Hotel, Edmonton, on Feb. 6 and 7, 1953. This was one of the largest attendances at such a convention and probably the most successful on record. The Odds Fish and Game Association was represented by five members: M. Overgard, president; committee; G. Thompson, big game committee; Hugo Rosenberger, food and welfare committee; Chris Marlett, fish committee; and Ralph Scott, upland game bird committee.

The delegates to this convention, after several discussions with various fishery and game officials, were of the opinion that this will be a good year for the Odds branch.

The two delegates from Didsbury Fish and Game Association, Falkner and Mr. K. McCoy, travelled with the Odds delegates, which was very much appreciated. They too were of the opinion that this was one of the better conventions and that everything was carried on with a "zip".

The Alberta membership for 1952 was 11,774 and due to this increase in membership, our organization was fortunate to receive two hundred adult pheasants from the Alberta Government Pheasant Hatchery, which were distributed in the Odds district.

SALVATION ARMY SPENDS \$10,000 TO HELP FLOOD VICTIMS

Realizing the tremendous need for financial help, Commissioner W. R. Durell of the Salvation Army, has forwarded \$10,000 to the Overseas Flood Relief Fund in London, England. This money will be distributed by Salvation Army personnel both in England and in Holland where flood conditions have left countless thousands in distress.

If you would like to help those in need among the flood victims, please forward donations to Box 123, Odds. Every cent received will be passed on to Toronto where further donations from all parts of Canada will be sent to those in need. The need is great. The response is urgent. The opportunity is yours — Be Generous!

of the Dominion Command. Mr. Anderson has specially asked to have all members of the Legion, the ladies auxiliary and all ex-service men to be on hand to hear his address.

Save And Sew At O.S.A.

The girls at the O.S.A. are saving by sewing . . . blouses, skirts, dresses, jackets, suits, and evening dresses are being completed for modelling at the Achievement Day Fashion Show on March 20th.

A glance through a garment rack in any store is rather a depressing experience these days for high cost and poor quality are much in evidence. Such is not the case at the O.S.A. where one finds moderate cost garments featuring fine workmanship and high style in the season's most fashionable colors.

Last year, a group of tailored garments including dresses, suits, and coats in wool, corduroy, gabardine and viyella flannels were made at an average cost of \$15.00. Formal dresses made of nylon, taffeta, organdy, and chantilly lace were completed at an average cost of \$12.00; and afternoon dresses of nylon, taffeta, velvet, gabardine and silk-shantung averaged just \$10.00.

All garments are made under the supervision of Miss Helen Moseon, Instructress in clothing. Three laboratory periods of one and one half hours each are allotted to clothing work. In addition, one clothing, lecture, one textile lecture and two clothing selection lectures are given weekly.

During the first year each girl makes a pair of pajamas, a cotton dress and an afternoon or sport's dress, while in the second year she completes a child's dress, a tailored garment and a formal. In the 2-in-1 Course, each girl makes pajamas, a child's dress, a tailored garment and a formal.

Sundre People Rally To Help Fire Victims

Shortly before the end of Jan. Mr. and Mrs. Johnny Johnson who live west of Sundre, lost their home and belongings in a fire. The people of Sundre and district have rallied to their aid and on Jan. 30 a dance was held at the Sundre hall sponsored by the Canadian Legion and the community. This dance netted \$54.00 which was turned over to the family to help compensate for their loss.

The business men of Sundre have also aided the family with donations of groceries, money, lumber and other commodities.

A building lot has been organized and a new home for the family is now underway.

Of special interest is the speed with which the Johnson family were rehabilitated by neighbors, organizations and friends. The spirit of "the old west and its hospitality" have not apparently been lost in the rush of living today. In addition to the above Rockwood district gave \$15 and Lobley \$45. Work was started on the new home at the old site by the next day and the family are now settled in their new home.

In addition to the garments, the girls make a sample book containing samples of seams, seam finishes, neck finishes, hems, pockets, buttonholes, plackets, and smocking. These books will provide a very valuable reference source for future sewing. . . Yes, they're sewing, saving, learning at O.S.A. and the best of all . . . they are enjoying it!

High School 'Beavers' Snare Neapolis 'Gophers'

Saturday night at the Memorial Arena Johnnie Kohut's Neapolis Gophers played the high school Beavers and gave them all they wanted.

It was a ding dang battle all the way, played before a small crowd from Neapolis and Town, with the Beavers on the long end by a score of 7-3. Johnnie had 17 hustling boys dressed for action and made a good job of changing his lines. J. Neufeld, in the "gopher hole," played a smart game and kept the score down.

"Beavers" have won the high school league and are now ready for the playoffs. The boys look sharp and eager and are under the management and coaching of Harold Oke and Tom Morris. Fred Evans and Neil Neufeld handled the game, with Alton Bradley and Charlie Sorenson as timekeepers.

Mrs. Freeman and Mrs. Lynch-Staunton, coffee and hot dogs. Our local "hockey action" photographer, Ed Wiggins, missed plenty of "shots" in this game. He wasn't there!

For the Gophers: J. Neufeld, Ed Peters, A. Neufeld, H. Moresch, A. Peters, H. Schroeder, L. Neufeld, R. Neufeld, R. Witzke, D. Weber, R. Dahl, A. Rempel, H. Rempel, V. Neufeld, E. Epp, N. Archer.

For the Beavers: M. Traub, K. Hunsberger, L. Gootjen, E. Reimer, M. McCoy, E. Oke, C. Morris, R. Morris, K. Neufeld, H. Robertson, W. Francis, Joe Dick Jr.

Come again "Gophers" and bring the tolls.

FLASH!!! Saturday night "Curly" Holub phoned from Lacombe that they had just lost a "close one," but the way the other league games went the Ramblers are practically assured of fourth place. Nice going — be seeing you in the playoffs.

FANS — We are in the playoffs, so drop in and see "Bright Spot Al." You know!

M.V.B.C. NEWS

(From Our Own Correspondent)

For a number of Sundays faculty members will be taking the Good News Broadcast on Sunday morning at 7:15 a.m. Next Sunday Mr. Peter Waldin, Director of Broadcast and faculty member will dedicate the program to the Flinn families of the May City United Missionary Church. He will speak, and we suggest that all readers will listen to this program.

The Board of Directors of Mountain View Bible College meet for their semi-annual meeting Tuesday and Wednesday of this week. There are twelve members, and business will include the engagement of faculty members for another year and discussion of the various problems and policy. Rev. D. C. Eby of Galahat is Chairman of the Board.

G. Lyle Richardson surprised the A Cappella Choir on Thursday evening by treating them to wieners and buns after their rehearsal. Better singing from now on, students!

A number of students were engaged in visiting homes in the community last Sunday afternoon in the Christ for Everyone campaign. They are receiving a courteous and kindly reception in most homes, and are presenting the Word of God to those who will listen.

Miss Margarita Sawatzky has been incapacitated because of flu during the week. She will likely be able to continue her class work this coming week.

Mrs. M. A. Finlay, member of the board of Directors, has brought several interesting and instructive talks to the girls of the College during the beginning of this week. Mrs. Finlay is an authority in matters relating to young women, and her advice and counsel has been greatly appreciated by all those who had the privilege of hearing her message.

EAST NOTES

(From Our Own Correspondent)

The Lone Pine Orioles are holding a dance at the hall on Friday, Feb. 27. A door prize will be given, so come out for a good time and a night of fun.

Mr. and Mrs. Howard Pross and Walter McCulloch and Leonard motored to Red Deer on Friday.

Mr. and Mrs. Clendenan and Gordon were weekend visitors with the latter's parents on Sunday.

Mr. and Mrs. Schumaker and Mr. and Mrs. George Long were Calgary visitors on Thursday.

Mr. and Mrs. James Schumaker and son Randy were weekend visitors with Mr. and Mrs. Alan Marsh and family at Carstairs.

Mr. and Mrs. Alfie Thompson and Beverly and Mr. Ellwood Topley and Mr. Loewen were Calgary visitors on Saturday.

Mr. and Mrs. Pete Neufeld have purchased the Hughie McLean farm and will be moving on it in the near future.

Alfie Thompson and Beverly called on Mr. and Mrs. Schumaker and family Sunday evening.

Mrs. Brander Sr. is visiting with her son Sandy and family.

Miss Joy Elliott spent last Tuesday with her parents.

The telephone board met at the Schumaker home Monday night.

Mr. and Mrs. Albert Milne have moved into their new home. Happy landings, folks.

District Convention Of Walther League

The 28th District Convention of the A. S. District Walther League was opened on Friday evening, Feb. 13, with a short devotion conducted in the absence of Rev. E. B. Fox, because of an attack of the flu, by Mr. W. F. Weidnerman, of Chicago.

Mr. Weidnerman, better known to all Walther Leaguers as "Chief," is a member of the International staff and has served this youth organization for 25 years. Following the devotion, Oscar Reinhardt, president of the Didsbury League cordially welcomed the Leaguers and friends in attendance. An address of response was given by A. Zimmerman of Calgary, president of the southern zone.

Thereupon everyone was invited to the basement for a hot and appetizing social. In a very short time the entertainment committee, George Pieper, Fred Reese and Arthur Reinhardt, had everyone in a jolly mood as they presented a radio quiz program, on the topic of "Truth or Consequences." A variety of acts and songs served as commercials. A lunch of doughnuts and coffee brought this first evening to a close.

Saturday morning, Feb. 14, sessions were opened with a brief devotion by Karl Reese, Didsbury. Following this "Chief" Weidnerman presented the Phillips 66 Discussion System. By this system of discussion more people are given an opportunity to participate and more interest is developed on the individual level. It was discovered that this system produces an abundance of ideas and creates a friendly and informal atmosphere among the members of the group.

Saturday afternoon sessions were opened with a brief devotion by a Mt. Calvary, Calgary, Leaguer. Mr. Weidnerman, using the Phillips discussion method, dealt with society problems and progress.

Following a short recess, the Calgary Mt. Calvary Society led a panel discussion on "Conquering Through Him," dealing with the individual's loss of his church, community, government and the like.

Saturday evening, 153 guests assembled in the church basement for a banquet. Rev. W. C. Elfert, Edmonton, served as toastmaster, and as he stated "heavy on the master." For two and a half hours the group enjoyed speeches, jokes, songs and in general a hilarious time. During the course of the evening a number of oral talent quest entries were presented.

Since Pastor Fox was still confined to bed, the Rev. Prof. J. Herzer of Concordia, College, Edmonton, conducted the Sunday morning service. This was attended by 205 people. The local society served a tasty lunch to everyone over the noon hour.

Sessions were resumed at 2 p.m. with Allan Elfert, Edmonton, conducting the devotion. "Chief" Weidnerman spoke on the work, objects and aims of the International Walther League. He also indicated that this year the League is holding its 60th anniversary convention at Chicago, from July 19 to 23. He mentioned that the League at present number some 80,000 members in 350 societies in the U.S., Canada, Mexico and England.

Concluded this convention was a post-convention tour, to include Banff, Lake Louise, Victoria and Vancouver. Usually about 400 to 500 Leaguers take these tours.

Various items of business were dealt with. For zone officers, Oscar Reinhardt will represent the Didsbury League. On the slate for district officers, to be elected in May, three Didsbury Leaguers are found: Richard Reinhardt, Fred Reese and E. B. Fox.

Sunday evening the Rev. W. C. Elfert conducted the vesper congregational service, which included the installation of the south zone officers. A farewell get-together, following the service, brought a memorable day and a wonderful weekend of Christian fellowship to a close.

The convention was attended by 111 registered Walther Leaguers, representing such points as Lethbridge, Milk River, Duchess, Carleton Place, Medicine Hat, Pincher Creek, Calgary, Red Deer, Edmonton, Stony Plain and other points.

FARM DELEGATION TO MEET WHEAT BOARD, COMMISSIONERS

Arrangements have been made for a delegation representing the three Prairie Farm Unions to meet the Board of Grain Commissioners on Feb. 23 and the Canadian Wheat Board on Feb. 24th.

At these meetings the Union representatives will discuss with the respective boards, matters of policy and administration in regard to grain overages, etc. The viewpoint of the handling grading and marketing Unions on various aspects of these problems will be presented by a delegation headed by Mr. J. L. Phelps, chairman of the Inter-provincial Council of Farm Unions, and President of the Saskatchewan Farmers' Union. He will be supported by the members of the Alta. and Manitoba Union executive.

Little Items of Local Interest

On Tuesday evening, Feb. 10, a
number of friends gathered at the
home of Mr. and Mrs. E. N. Boettger
to celebrate their 44th wedding an-
niversary.

The new Oldsmobile, shown else-
where in this issue, will not be on
display until the end of this week
or early next week.

Mrs. R. A. Rusk of Vancouver
arrived Tuesday to spend two weeks
with her mother, Mrs. H. W. Gabel,
who has been a patient in the Dids-
bury hospital for several weeks.

Guests of Mr. and Mrs. Ed Berscht
over the weekend were Wilbert
Ferscht of Edmonton and Howard
Berneht and Gloria Leva, of Cal-
gary.

Weekend relatives at the home of
Mr. and Mrs. S. Wright were Mr.
and Mrs. Allan McRae, Mr. and
Mrs. Dave Wright, Mr. and Mrs. Jim
Wright and family, Mr. Ray Camp-
bell and Mr. Bert Campbell.

Dinner guests at the Russell Ful-
terth home Sunday evening were
Miss Emilie Dupont and the Misses
Sonja Schwenk, Marina Hartly and
Margaret Runner of the O.S.A.

Miss Shirley Sharples of Camrose
spent a few days in town last week.

Two local rinks attended the Car-
stairs ladies' bonspiel and came
home with their share of the prizes.
The Mrs. Kay Platz rink, including
Mrs. Shirley Dougherty, Mrs. Rose
Morris and Mrs. Nellie Roberts, cap-
tured fourth in the primary event,
each receiving berry sets. The rink
skipped by Mrs. Alma Shannon
walked off with first in the third
event and were rewarded with pen
and pencil sets. Others on the rink
were Mrs. Grace Bittner, Mrs. Jean
Pecine and Mrs. Jean Cuthbert.

Mr. Ivan Weber is the proud
owner of a new deep freeze unit.
We think he won it in a service
club raffle, but let's say no more
about that, the Gestapo may move
in!

Mr. and Mrs. Alf Allan and
family motored to Jumping Pound
to spend last weekend with Mr. and
Mrs. L. Kumlin of the Lazy J
Ranch.

Mrs. Wm. McFarquhar spent a
few days in Calgary last week vi-
siting her sister, Mrs. J. W. Howard,
and family.

NOTICE

Annual municipal meeting and
nomination of candidates for the
Municipal District of St. View,
No. 49, will be held in Olds Arena
at 1 p.m. on Saturday, Feb. 21.

Nominations will be open for the
election of councillor for Divisions
4 and 5 and for board members of
Olds Municipal Hospital and Dids-
bury Municipal Hospital.

J. D. THOMAS,
Returning Officer

NOTICE OF POLL

TOWN OF DIDSBURY
MUNICIPAL ELECTIONS, 1953
Public Notice is hereby given that
an election will be held for the
offices of Councillors of the Town
of Didsbury, and that the polling
will take place on March 2nd, 1953,
from ten o'clock in the afternoon
at the Town Office, and that I will
at the Town Office on the 2nd day
of March, 1953, at seven o'clock p.m.,
sum up the votes and declare the
result of the election.

Given under my hand at Dids-
bury, this 18th day of February,
1953.

F. L. EVANS,
Returning Officer

CARD OF THANKS

We wish to express our sincere
thanks to our friends and neigh-
bors for their kindness and for the
many cards and floral tributes re-
ceived during our recent bereave-
ment.

MRS. MacKAY, NEIL and HERR

CARD OF THANKS

We would like to thank our cus-
tomers for the fine patronage given
to Neufeld's Garage during the time
which we owned it. We hope you
will continue to patronize Del
Barthel, the new owner, as faith-
fully as you did us.

THE PETE NEUFELD FAMILY

FOR SALE — Singing canaries, last
year hatch. Mrs. H. S. Ramsey,
Olds, Alberta. 11c

South West Didsbury

(From Our Own Correspondent)

Mr. Robert Hipkin, R.C.A.F., Tren-
ton, Ont., is home on a three weeks
leave.

Mr. and Mrs. E. Dippel and Mr.
and Mrs. M. Dippel were Wednes-
day visitors with Mr. and Mrs. Nor-
man Dippel at Bergen.

Little Terry Dageforde was a vi-
sitor for several days with Mr. and
Mrs. Fred Befus and family.

Mr. Otto Barz of Edmonton was a
weekend visitor and attended the
convention at the Lutheran church.

Sunday guests of Mr. and Mrs. E.
Dippel and family were Mr. and
Mrs. Abe Sheelburg and Rita
Faye and Miss Freda Smith.

Mr. and Mrs. A. Roth and Glen and
Walter were weekend visitors at the
Fred Befus home.

Mr. and Mrs. Lynn Hunsperger
and family were Sunday dinner
guests of Rev. and Mrs. D. Taylor
and family.

Mrs. George Meyer and George
were Calgary visitors Wednesday.

Miss Lydia Doern of Edmonton
was a weekend guest of Mr. and
Mrs. E. A. Barz and Arlene.

Mrs. George Meyer just received
word from Chrysler, Ont., that Mr.
and Mrs. Doug Feeley (nee Betty
Duncan) are the proud parents of a
daughter, Jenny Rae.

The Evening Group of Knox
United W.A. will meet at the home
of Mrs. Dorothy Prevost, Monday,
Feb. 23.

Coming Events

—The Rugby F.U.A. local will hold
a meeting at the Zeila school on
Feb. 26 at 8:30 p.m. All farmers
are urged to attend.

—Midway Curling Club will hold
their annual bonspiel from Feb. 23
to 28. Entries are to be made to
Allan Schmik, phone 1306, Car-
stairs.

Rev. J. G. Neufeld will be the
speaker at the young people's serv-
ice to be held at the Berghal church
on Sunday, Feb. 22 at 8 p.m. Special
music and singing will also be
provided. Everyone welcome.

WESTCOTT NEWS

(From Our Own Correspondent)

Mrs. Ethel Konschuh and her
pupils of Westcott school held a
skating party at the rink Friday
night to celebrate Valentine's Day.
The kiddies enjoyed the party in
company with their parents and a
few friends.

Mr. Wilbert Berscht of Edmonton
was a guest at the Herbert Goetjen
home during the weekend.

Mrs. Ted Dageforde was released
from the local hospital with her new
baby son on Sunday and is staying
with her in-laws, Mr. and Mrs. Her-
man Dageforde.

The bridge crew repairing the
Westcott bridge have it open now
and the traffic is forced to detour
through Folkman's field and over
the Dog Pound to the road again.

The "HUSKIES" Are On The Trail !!!

The Didsbury "Midget" hockey team, the Huskies, coached
by Herb Stiles, are a team of local school boys from 13 to 16
years. They are a hand-picked lot and look smart in their new
black and white uniforms. "Herb" has his boys trained to a fine
edge and are in top shape, all eager to get on the long
trail that leads to the championships.

Captain "Jim Thompson" Sinclair claims their first "kill" will
be the Hanna Eskimos on Thursday night, Feb. 19 at 8:30 at
the local "Ipsos". Herb informs us that this game will NOT be
broadcast, so come early to secure a seat as this should be a
real good "dog fight" between Huskies and Eskimos.

And here they are, the hard-hitting and hard-asking
Huskies: Keith McCoy, Don Blore, Jim Sinclair, Louis Fride,
Jerry Bateman, Miller McCoy, Clarke Prendergast, Melvin Dick,
Calvin Dick, Iler Roberts, Butch Neufeld, Willie Burke, Jack
Peck, Howard Robertson, Melvin Stauffer, Wayne Shantz, Bob
Bussard and Ken Traub.

Good luck, Herb, you are training future "Ramblers."
